Katerina Silverwing

Katerina Silverwing	
	
Aliases	• Kat
Ancestry	Human
Class	Sorcerer
Age	18
Languages	Common, Dwarven, Elven, Empyrean

Katerina Silverwing is a human sorceress from Druma and member of The Dancing Queens.

Description

Appearance

Katerina has long brown hair that she frequently keeps tied back so as to remain out of her way during combat. She has a slight build and is the shortest member of the Dancing Queens. As an adventurer, she prefers the sensible and durable clothing associated with the profession. The only keepsake she brought with her when she started her journey is a simple bracelet that is often hidden by the bracers she wears to protect her forearms. After meeting with Magister Eldrin at his school in Gralton, she was given a staff made by her teacher Brea as her birthday present.

Personality

Katerina has a short temper that grows shorter still in dangerous situations. Her temper has proven to be a problem as she lashes out at others without consideration.

She has a mindset for identifying problems and focusing on overcoming them, frequently ignoring options she does not foresee being a benefit to the goal.

Katerina is fiercely loyal to those she considers friends and family.

When given a choice between acting and waiting, Katerina prefers to act. To do nothing and hope for a good outcome is antithetical to her. She believes that the only thing she truly controls are her own choices, she must enact her will on things if she wants something to move in her favor.

Biography

Background

Katerina is the eldest daughter of the Silverwings, a prominent family of Druman nobles. From a young age she was taught how to interact within high society and how to conduct herself in formal situations. It was at a tender age that she manifested the power that would define her life.
