

# 035 - Search for a Phylactery

Date: April 14, 2026

Fight with Hell Knights from the Order of the Chain and Thaniel's ex with the "help" of Belvore.

Knights of Casama have killed Concelhaut and are searching the area for his phylactery to kill him for good.

There are approximately 50 soldiers including foot soldiers, archers, and mages. They are led by Francis (ought to kill him) and Vira (really ought to kill her). The lady of ravens from the masquerade is in the area as well and is watching everything through the eyes of the birds.

*Some* of Casimir's knights are under a powerful mind control spell that dispels upon death. Others are people that are being coerced into serving. Could be some real sickos that actually volunteered and like serving in the army but no guarantees.

Tried to find ways to help a soldier leave the army without jeopardizing his family but he ignored it. Can't help someone that doesn't want to be helped. I'm not sure his family isn't already dead or mind controlled.

An NPC mentioned Arkemyr's apiary. We ought to check it out if we get the chance.

Pretty sure that the phylactery is inside of Belvore. He'll basically die to resurrect Concelhaut, but the lich might resurrect Belvore afterwards. He's dead so we can't guarantee it.

Next session will be the morning of Rova 30, 4726
